Additional Comments (use additional sheet if necessary. Finding a host for meetings is becoming more difficult, even more so now that two regular hosts have retired, Georges Kopp and Real Dubuc. They still attend meetings and can be relied upon for demonstrations. Our last meeting was the first in a year and a half, held at Pegasus Glass in Ontario on May 5Thirteen ASGS members attended of which four are retired. Due to the geographical size, generally only members from Ontario and Quebec can attend\host meetings. Currently there are forty Glassblowers on the e-mail list who receive all correspondence about activities of the section.
