Additional Comments	
I have placed calls to Northeast members that did not renew. It has been a discouraging experien junior members renewed but most of the members did not pick up the phone or return repeated comember and a retired member commented that they did not attend symposiums and felt they received member a copy a well written Fusion article to show what he is missing. I have emphasized in member a copy a well written Fusion article to show what he is missing. I have emphasized in methat we have lost 20 % of the members and we will loose our critical mass to have symposiums a requested a mailing list from the National Office of Northeast members and mailed our fall meet Mike Souza our secretary was in England at the time when we made the mailing. As I called non most of them were not on our mailing list. Like most sections the list has been handed down ove names have not been omitted or added. We had our Fall meeting 10/10/2009 in Ballston Spa New York at the National Bottle Melased to be visited by Kurt Sexton president elect. Mike Souza and Sally arranged the facilities sponsors but was unable to attend because of scheduling conflicts. Demonstrations were done by Souza and Anatoly Kishinevski and his younger brother. There was a discussion about the requestor finishing the videos. There is concern that our revenue is falling and we may not be able to reexpense. I will be moving on to the president elect position, Dan Wilt will take my place if anoth interested. Submitted by: Patrick DeFlorio	calls.
