American Scientific Glassblowers Society
Southeastern Section Meeting
April 9-10, 2010

The Southeastern Section Meeting was held at the Hilton Knoxville with 22 members in attendance with their spouses and children.

Events

Friday April 9:

In the morning we did the general tour of the Oak Ridge National Laboratory. Lunch was provided by ORNL. And in the afternoon, we toured the carbon fiber research area and the glass shop. In the evening, the Exhibitors Reception was held. I wish to greatly thank the our supporting vendors: Quartz Scientific, VM Glass, Wale Apparatus, Friedrich & Dimmock, GM Associates, Technical Glass Products, and Wilt Industries.

Saturday April 10:

The Business Meeting was held in the morning. At which \$500.00 was authorized to be sent to the National Society to assist the Audio Visual Committee DVD project.

Saturday Evening:

The Annual Banquet was aboard the Volunteer Princess Yacht. It was a very pleasant and enjoyable evening.

Jason Craig should be commended for presenting such an enjoyable and educational meeting.

Addendum:

Don Hodgkins and Randy Searle were added to the Memorial Scroll. They will be missed.

Respectfully Submitted,
Donald E. Woodyard
