**Additional Comments** (use additional sheet if necessary):

The new slate of officers for this year is in place. The attendance for the first meeting of the year was average. This year we have a good selection of new and returning sponsors. Our annual meeting at Salem Community College is always well attended and this year we plan a mini-symposium format. The section is considering an auction for it's last meeting of the year to increase our revenues. I was approached by one of our sponsors to set up a separate scholarship fund to send a student to Salem Community College. The criteria of this scholarship is still being discussed.
