### Additional Comments (use additional sheet if necessary):

I had the pleasure of hosting our visitor from the UK, Phil Murray, from May 19<sup>th</sup> to the 25<sup>th</sup>. He is, as most of you know, on a 6-week visit to the U.S. on a Winston Churchill Fellowship grant. Phil will conclude his visit by attending our annual Symposium in Cleveland. Please say hello to Phil and make him feel welcome.

I completed the update of our Section membership list and now have an electronic copy that is easy to maintain and update. Thanks to everyone who helped, Dan Wilt, William Wilt, Wayne Martin, and the National Office! I am thinking of making a CD version of this list available to all of our Section members, less than \$1.00 for the CD. I plan to bring it up for vote at our next meeting in the fall. Cost should be minimal and I would only make copies for those who requested them. I will only mail them to new members and deliver the remainder of the requested copies at Section meetings.
