

## Questions & Answers

The Technical Q&A committee is chaired by Tracy Drier. Members include Gary Coyne.

Our emphasis has been reviewing archived electronic ASGS Technical Q&A e-mail. Relevant and interesting posts are summarized for publication in Fusion. We have started from the earliest posts and are working towards the present day.

It is felt that having these questions in print will be useful for those without computer access, are not on the electronic Technical Q&A list, or unable/unwilling to access these archives.

Two long term goals that would be of benefit to members:

- Provide an opportunity at the symposium for members to request topics of inquiry from the Q&A committee.
- A keyword searchable database of past technical Q&A topics. This could be incorporated into the Roster/Cumulative Index CD, or as a \*members only\* feature of the ASGS website.

No action has taken place with regards to these long term goals since the last report in November.

Best Regards,

Tracy
