Additional Comments (use additional sheet if necessary):

The Great Lakes Section held a meeting at the University of Toledo, Toledo, Ohio on Sat. October 16th. Vendors were asked to promote their products following reception and sign- in. Each vendor was able to offer information to everyone at one time and answer all questions with the complete attention of the group. Two glassblowing demonstrations were offered. A carpool transported the group to the Toledo Museum where our impressive guided tour centered on glass from 200 AD on through period selected venetian, dutch, german, etc. groupings. Returning to the Univ. of Toledo, a long business meeting was held with much discussion on national ASGS topics. The Director will report to the board as these topics occur on the BOD meeting agenda. One new member was signed up.

Respectfully submitted,
Michael S. Morris
