Additional Comments (use additional sheet if necessary): Did I mention we have problems getting sectional officers? Funny I mentioned it in my last report. Nothing really to report as we haven't met since the last BOD meeting. Ron contacted me a few weeks ago about a possible Symposium in our Section. I talked it over with Jack Korfhage and we will do a little research and then bring it up to our members. One thing Jack and I did discuss was we would more than likely rule out New Orleans as a possible site. The only other area of concern is my usual misgivings with the alleged non ASGS Chat site. Thing seem to get out of control rather quickly and spill over to our Q & A site. Other than that see you in Chicago. We do plan a meeting in March or so in the Houston – College Station area. More will be revealed.
