Financial Resources:	Good

How would you describe your typical section meeting? (Check all that apply)

Educational	<input checked="" type="checkbox"/>
Social	<input checked="" type="checkbox"/>
Tour Workshop	<input checked="" type="checkbox"/>

Section Challenges:

Section challenges include increasing our membership in both the Section and National Societies, increasing our representation at the National Symposium, and increasing Southeast member participation in the hosting of workshops and seminars at the National meetings.

Comments:

The Southeast Section has not had a sectional meeting since the June 2001 Board of Director's meeting. Our next meeting is scheduled for May 29, 2002 in Point Clear, Alabama. We are looking forward to a great meeting at this beautiful site. We encourage all Southeast Section members to attend, as this meeting will be held in conjunction with the National meeting. Also, we will need your attendance to make this meeting a success. Thank you for all your support and I look forward to seeing you at the next meeting in Point Clear.
