

President Elect Report, November 2013

The president elect has attended the N.E. section meeting. A good time was had by all with great demonstrations and a hearty lunch. The meeting was held at the National Bottle Museum, a tremendous venue in New York.

I spoke at the business meeting on topics of concern to President Cornell. After polite listening to my presentation, it was my turn to listen. The primary complaint was the web site and Sally Pratsch spoke on this passionately. Not happy at all with the appearance of the site and suggested we use her web site producer. We have one more volunteer to aid with site work from the section, Graham D. Schroder. An interested young volunteer.

I haven't been active as I would like to be on the computer committee, will be contacting Benj to get more involved as the New Year approaches.

Sincerely Steven D. Moder
