302 Redbud Lane • Thomasville, NC 27360 • (336) 882-0174 • Fax: (336) 882-0172

2003 Symposium
Cleveland, Ohio
Report October 2000

President Hatz and the BOD,

I calculate that by the time you get to this report it will be about 3:30 P.M. The last thing anyone will want to do at this point is read a rambling report on something that is not going to happen for another two and a half years.

So, I will get to the point.

Committees are set, the hotel contract is signed and now we wait. End of report.

Listed below are committee chairs.

General Chair	Scott Bankroff
Assistant Chair	Mike Morris (a good man)
Artistic/Auction	Tim Drier
Audio	Mike Morris
Exhibits	Chris Sprague
Hospitality	Melissa Bankroff
Junior Member	
Workshop	Joe Gregar?
Media	Scott Bankroff
Regular Member	
Workshop	Allan Brown?
Seminars	Dave Daenzer
Technical Papers and Posters	Frank Meints (another good man)
Technical Workshops	Steve Modor

There are and will be others who are not listed here, we all know that it takes many dedicated people to run a Symposium.

Have a good meeting.

Scott Bankroff
2003 ASGS Symposium Chair

PS. Is Mike Souza still running off at the mouth this late in the day?
