

THE AMERICAN SCIENTIFIC GLASSBLOWERS SOCIETY, CANADIAN SECTION CANADIENNE

June 9, 2010

Subject: June 2010 BOD Report of the ASGS Canadian Section,

The Canadian Section held it's last meeting on May 22, 2010. The meeting was held by Cedric Ginart. Meeting attendance was good with about 18 glassblowers present. Thank you to Cedric and those who helped him out for hosting the meeting.

I wrote a Directors report covering the issues that were discussed at the November BOD meeting and it was presented to those in attendance by Cedric as I was unable to attend the meeting due to a prior commitment.

At our business meeting there was discussion about a possible dues increase to the ASGS. Within our section, of the members present, raising the dues did not illicit a negative response. There was one change in officers. The current officers are listed below.

Director Michael Palme
Alt. Director Cedric Ginart
Chair Brian Power
Vice-Chair Jordan Vandenhoff
Secretary Craig Nagami
Treasurer Brian Power

There are no other issues to report at this time.

Respectfully submitted,

Michael Palme
ASGS BOD Administrative Assistant
