Additional Comments (use additional sheet if necessary): Did I mention we have problems getting sectional officers? Our section seems to be doing better. Attendance at our meetings is up and we are seeing the same faces. We are doing well financially, and are collecting \$10.00 yearly dues from our members. I have been elected as Director of the Southwest Section for another term. This hopefully will be my last term as director. I would like to thank President Elect Scott Bancroft for attending our meeting in Austin Texas. Everyone liked his demonstration on rupert's drops and his input on things at the National level. Thanks Scott. That's it and see you in New York on June.
