Section Challenges:

Section challenges include increasing our membership in both the Section and National Societies, increasing our representation at the National Symposium, and increasing Southeast member participation in the hosting of workshops and seminars at the National meetings.

Comments:

The Southeast Section held a sectional meeting May 29, 2002 in Point Clear, Alabama. The next sectional meeting will be held March 27th-29th, 2003 in Richmond, Virginia. The meeting will be hosted by Bryan and John Bivens. Bryan and John have a wonderful meeting planned. Please make your plans to attend and support our section.

This is my last Board of Director's meeting. It has been an honor and privilege to serve the Southeast Section over the last 4 years. Thank you for all the support during this time.
