DIRECTOR'S REPORT
POINT CLEAR, ALABAMA
MAY 28, 2001

SECTION: San Francisco Bay Area

We did not have a spring meeting this spring because we could not get someone to sponsor a location. This should not be the start of a trend for this section. Will be sure to have a location and time during our fall meeting.

We have our fall meeting schedule for 4th and 5th of October. The golf scramble will be Friday the 4th at Lake of The Pines with tee times starting at 11am. Lunch will be provided in the form of a bag lunch you will be taking at tee off. Bill Roach will be setting up the scramble and teams for this year's tournament.

The section meeting will be on Saturday the 5th of October with our standard program of demonstrations, exhibiting companies, and hopefully a seminar or two. We have arranged a very special display of old Christmas bulbs by Dick and Arlene Cook of RHC Enterprise's. Dick has been collecting bulbs for about 50 years. He will set up a tree with Christmas bulbs from Germany, Japan and the USA. His bulbs are both carbon and tungsten filament and still work today. His collection contains both hand blown and split molded bulbs. It's quite a collection and I only saw a few.
